·BOTTLE OF THANKS·

TO

You are receiving this Messina Hof Bottle of Thanks as our small way of saying thanks for the selfless and hard work you do to help others. Our hope is that this wine will be a nice treat for you to enjoy after a long and difficult day on the frontlines of this current medical crisis. More than that, we want it to be a reminder of how grateful we are for the amazing work you do on a daily basis.

·THANK YOU·
